

Membership Benefits

Membership means belonging! Membership in a church is different than membership in a service organization or club.

When you commit to Norwalk Alliance Church in membership, you are joining a family; that entitles you to all the rights and privileges bestowed upon a family member.

In addition, you find a place to be cared for and loved; a place to express your greatest dreams and cry during your darkest hours.

Membership Participation

Also, membership means participating in family life. It is not just a place to take, but a place to give. It is a place where you will be encouraged to use your gifts, talents, abilities and resources for God's glory, not just for your own good.

Church Membership means participating with others.

As a member you will find yourself participating in 5 G's.

- Growing in God
- Group Involvement
- Great Commission
- Gift Discovery
- Generosity

The Membership Process

Membership is an easy process. The first step is simply filling out the attached form. You will be contacted regarding the next Membership Inquiry Meeting. There you will receive and review the applications for membership, statement of faith and "What is the Alliance" handouts.

If you decide to formally apply for membership, an interview with two elders will be scheduled. They will be interested in hearing how you began your relationship with Christ and about your decision to become a member. You may also ask them any questions you may have concerning the Alliance or the statement of faith. The final step involves a public ceremony in which you are presented to the congregation.
